

ATTENTION VOTING MEMBERS OF AOCS!

Nominations for Officers of the AOCS to serve from May, 1971 to May, 1972 are now being considered by your Nominating and Election Committee. The Committee needs the assistance of all ACTIVE MEMBERS and EMERITUS MEMBERS in selecting candidates for these offices.

IN ACCORDANCE WITH THE AOCS BY-LAWS, the Vice President will be proposed, without opposition for the office of President. The officers to be elected, along with the four most recent Past Presidents, will form the AOCS Governing Board. For your information, the present AOCS officers are:

President	S. S. Chang
Vice President	R. R. Allen
Secretary	R. T. O'Connor
Treasurer	F. A. Norris
Member-at-Large	J. G. Endres
Member-at-Large	F. W. Quackenbush
Member-at-Large	K. T. Zilch

You will find recent additions to JAOCS and the AOCS Membership Directory useful in indicating the names of members who have served in the past and others who would prove to be of advantage to the AOCS and to the sciences if elected.
