## Call for Nominations for Seventh AOCS \$2,500 Award in Lipid Chemistry

### Sponsored by Applied Science Laboratories

In April 1964 the Governing Board of the American Oil Chemists' Society established an Award in Lipid Chemistry under the sponsorship of the Applied Science Laboratories Inc., State College, Pennsylvania. Previous awards were presented as follows: Erich Baer, August 1964; Ernest Klenk, October 1965; H. E. Carter, October 1966; Sune Bergstrom, October 1967; Daniel Swern, October 1968 and H. J. Dutton, October 1969.

The award consists of \$2,500 accompanied by an appropriate certificate. It is now planned that the seventh award will be presented at the AOCS Fall Meeting in Chicago, Illinois, Sept. 27-Oct. 1, 1970.

### Canvassing Committee Appointees

Policies and procedures governing the selection of award winners have been set forth by the AOCS Governing Board. An Award Nomination Canvassing Committee has been appointed. Its membership is L. N. Norcia, Chairman; J. G. Coniglio, Morris Kates, J. C. Hamilton and F. T. Lindgren. The function of this committee is to solicit nominations for the seventh award. Selection of the award winner will be made by the Award Committee whose membership will remain anonymous.

### Rules

The rules prescribe that nominees shall have been responsible for the accomplishment of original re-

search in lipid chemistry and must have presented the results thereof through publication of technical papers of high quality. Preference will be given to individuals who are actively associated with research in lipid chemistry and who have made fundamental discoveries that affect a large segment of the lipid field. For award purposes, the term "lipid chemistry" is considered to embrace all aspects of the chemistry and biochemistry of fatty acids, of naturally occurring and synthetic compounds and derivatives of fatty acids, and of compounds that are related to fatty acids metabolically, or occur naturally in close association with fatty acids or derivatives thereof. The award will be made without regard for national origin, race, color, creed or sex.

Letters of nomination together with supporting documents must be submitted in octuplicate to L. N. Norcia, Temple University, Health Science Center, School of Medicine, Philadelphia, Pennsylvania 19140, before the deadline date of April 15, 1970. The supporting documents shall consist of professional biographical data, including a summary of the nominee's research accomplishments, a list of his publications, the degrees he holds, together with the names of the granting institutions, and the positions held during his professional career. There is no requirement that either the nominator or the nominee be a member of the American Oil Chemists' Society.
