

Extend your stay in Mexico — opt for a postmeeting tour

Many registrants for the 1974 AOCS Spring Meeting, to be held in Mexico City, April 27—May 2, 1974, will want to take advantage of the unique opportunity to extend their visit in enchanting Mexico. AOCS, through its official agent, Travel Consultants, Inc., has prepared three optional tours for the registrants' consideration. The lower group prices, available on group transportation to the meeting itself, and the reasonable optional tours make the AOCS Spring Meeting/Holiday package a value worth careful consideration.
