The AOCs 64th Annual Spring Meeting is scheduled for April 29–May 2, 1973, at the Jung Hotel in New Orleans. Registration is to begin Sunday, April 29, from 12:00 noon to 6:00 P.M.

The local committee, headed by Nestor B. Knoepfler has worked to provide members with a stimulating technical program, organized by Bob Ory and Harold Dupuy: an enjoyable ladies' program, arranged by Catherine Spadaro and her committee; and outstanding social events, planned by Larry Brown. No one will want to miss the Dixieland extravaganza at the Tuesday evening banquet.

The Annual New Orleans Spring Fiesta will be underway during the meeting, and Candlelight Tours or New Orleans Patios are on the agenda for Monday night, a free evening for meeting participants. Brochures explaining Spring Fiesta events will be available at the AOCs registration area, where a scale model of New Orleans' fabulous Superdome should be on display.
