

## AOCS members to enjoy "Spirit of '74" at Philadelphia Fall Meeting

Walking cobblestoned Elfreth's Alley in Philadelphia—oldest continuously used residential street in the United States—these patriots of 200 years ago are reminding AOCS members, wives and guests of the entertainment being planned for the 48th Annual Fall Meeting September 29–October 2, 1974 to be held in Philadelphia, the City of Brotherly Love. Frank Scholnick, chairman of the entertainment committee, said the traditional mixer will be held Sunday evening with plenty of food and drink to refresh everybody for the events of the week to come. Then there will be a gala banquet on Tuesday evening, followed by a floor show for which many pleasant surprises are being planned. Dancing after the show will continue until midnight. ■
