

# Call for Nominations 1975 Honored Student Awards

Nominations are solicited and will be accepted until April 15, 1975, for the AOCS Honored Student Awards. Graduate students at any North American institution of higher learning, in any area of science dealing with fats and lipids, who are doing research toward an advanced degree and who are interested in the areas of science and technology fostered by this Society, are eligible. The student must be a registered graduate student at the time of application. To receive the award, he must remain a registered graduate student and must not have received his degree or begun career employment prior to the AOCS meeting he is to attend. Selection of awardees is based upon educational qualifications and performance.

The awards provide funds equal to travel costs, plus \$75.00 to permit attendance at a national meeting of AOCS. Honored Student Award winners will attend the 49th Annual Fall Meeting to be held September 28-October 1 in Cincinnati.

Nomination forms may be obtained from AOCS Headquarters, 508 S. Sixth St., Champaign, Ill. 61820. Completed nominations should be returned before April 15, 1975, to: James G. Hamilton, HSA Committee Chairman, Department of Biochemistry and Nutrition, Hoffmann LaRoche, Inc., Nutley, N.J. 07110. ■

## DeFigueiredo to be vice-president of marketing

National Portion Control, Inc., has appointed Mario DeFigueiredo vice president, marketing.

In his new position, deFigueiredo will assume chief marketing responsibility for the company's brands and marketing programs. This includes sales promotion activities, market research, new product development, food systems, and marketing planning. deFigueiredo, who holds a Masters degree in business administration from the University of Chicago, will, in addition to the marketing function, continue to direct the Research and Development Department.

deFigueiredo, who has been with the National Portion Control since 1973, previously held the position of vice-president of research and development. A graduate of the Massachusetts Institute of Technology, deFigueiredo is a member of numerous honorary and professional societies, including AOCS.

The National Portion Control, Inc., a Chicago based Hershey foods company manufacturers a variety of over 200 frozen fully cooked foods for the foodservice industry and is a leading supplier of day care meals, Type A school lunches, fully prepared entrees under the Invisible Chef label, and airline meals. ■
