

# CALL FOR PAPERS AOCS 67th Annual Spring Meeting

The Technical Program Committee has issued a call for papers to be presented at the AOCS 67th Annual Spring Meeting, April 21-24, 1976, in the New Orleans Marriott Hotel, New Orleans, La. Papers on lipids, fats and oils, and all related areas are welcomed.

Submit three copies of a 100-300 word abstract with title, authors, and speaker to: Robert Ory, Head, Protein Properties, Oilseed Crops Laboratory, Southern Regional Research Center, P.O. Box 19687, New Orleans, La. 70179.

## SPECIAL TRAVEL RESERVATIONS

### World Conference on Oilseed and Vegetable Oil Processing Technology

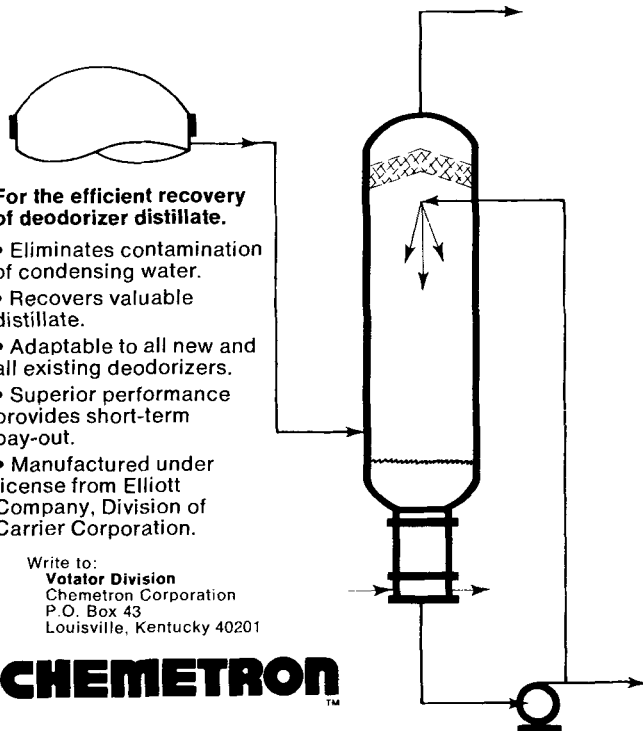

**CHARTER FLIGHTS:** A charter has been arranged with Pan American Airways from Chicago to Amsterdam and return. The flight leaves Chicago on February 28, 1976, and returns from Amsterdam on March 8, 1976. Cost, including transfers to and from Amsterdam hotels, is \$320.00 per person, round trip.

**AFFINITY GROUPS:** Special affinity group space has been reserved from Chicago and New York to Amsterdam and return. These flights will require 40 eligible passengers each. The flights for both New York and Chicago will depart on February 27, and will return on March 8, 1976. The affinity flights from Chicago will serve as a back-up for the charter flight.

**ELIGIBILITY:** Individuals who have been members of the American Oil Chemists' Society for six months prior to departure and their families are eligible for this AOCS charter and/or affinity program. For the Amsterdam Conference, new members must have made application during the same time frame. Dues are \$24.00 per year.

**DEPOSITS:** A \$50.00 per person deposit is required with the reservation form. In the event the flights are cancelled, full refunds will be made. Cancellation by passengers received by December 15, 1975 will be refunded in full. Payments in full for the charter must be made by December 15, 1975. Cancellation made after December 15, 1975 will be refunded in full if passengers can be replaced by others on the official waiting list.

# Votator Scrub Cooler.

#### For the efficient recovery of deodorizer distillate.

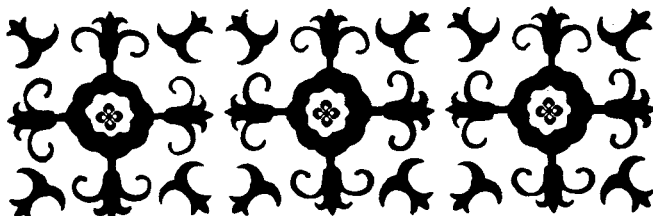

- Eliminates contamination of condensing water.
