PLACES

The **Stepan Chemical Company** has announced the purchase for cash of a majority interest in Industries Chimiques de Voreppe of Grenoble, France. The company, which was founded in 1949, has concentrated on the manufacture of specialty surfactants and their applications....**BASF Wyandotte Corporation** announced the completion of a 26,000 square foot expansion of the Chemical Specialties Division West Plant in Wyandotte, MI....**Emery Industries, Inc.** announced today its participation as one of the major shareholders of Quimica Michoacana S.A. de C.V. of Mexico. The announcement was made by D.R. Hinkley, Emery chairman of the board and president, who explained that in addition to a capital increase paid into the Mexican firm, Emery expects to contribute technology in the manufacture of high quality fatty acids and derivatives. Quimica Michoacana principals Emilio Donnadiou and Leif Moller outlined the Mexican firm's position as Mexico's leading producer of fatty acids. ■
