Canvassing Committee Appointees

Policies and procedures governing the selection of award winners have been set by the AOCS Governing Board. An Award Nomination Canvassing Committee has been appointed. Members are David L. Berner, chairman; Harold P. Dupuy; Earl G. Hammond; Donald C. Johnson; and Frank T. Lindgren. The function of this committee is to solicit nominations for the thirteenth award. Selection of the award winner will be made by the Award Committee whose membership will remain anonymous.

Rules

The rules prescribe that nominees will have been responsible for the accomplishment of original research in lipid chemistry and must have presented the results thereof through publication of technical papers of high quality. Preference will be given to individuals who are actively associated with research in lipid chemistry and who have made fundamental discoveries that affect a large segment of the lipid field. For award purposes, the term "lipid chemistry" is considered to embrace all aspects of the chemistry and biochemistry of fatty acids, of naturally occurring and synthetic compounds and derivatives of fatty acids, and of compounds that are related to fatty acids metabolically or occur naturally in close association with fatty acids or derivatives thereof. The award will be made without regard for national origin, race, color, creed, or sex.

Letters of nomination together with supporting documents must be submitted in octuplicate to David L. Berner, Campbell Institute for Food Research, Campbell Place, Camden, NJ 08101 before the deadline of April 1, 1976. The supporting documents will consist of professional biographical data, including a summary of the nominee's research accomplishments, a list of his publications, the degrees he holds, together with the names of the granting institutions, and the positions held during his professional career. There is no requirement that either the nominator or the nominee be a member of the American Oil Chemists' Society. In addition, letters from at least three other scientists supporting the nomination must be submitted in octuplicate. ■

The student must be a registered graduate student at the time of application. To receive the award, he must remain a registered graduate student and must not have received his degree or begun career employment prior to the AOCS meeting he is to attend. Selection of awardees is based on educational qualifications and performance.

The awards provide funds equal to travel costs plus \$75.00 to permit attendance at a national meeting of AOCS. Honored Student Award winners will attend the 50th Annual Fall Meeting to be held September 26-29 in Chicago.
