

Chicago offers visitors a shimmering panorama of fascinating sights: the bronze lions which guard the Art Institute on Michigan Avenue; Buckingham Fountain erupts in downtown Grant Park; the Merchandise Mart is the world's largest commercial building; mammoth sculpture by Picasso on Civic Center Plaza; twin towers of Marina City loom over Chicago River; huge 100-story John Hancock Center (fondly called Big John) dominates the skyline.

## TENTATIVE COMMITTEE SCHEDULE

Following is the tentative committee meeting schedule for the AOCS 50th Annual Fall Meeting, September 26-29, 1976, at the Hyatt Regency Chicago in Chicago, IL. Chairmen will be notified of the final schedule and will in turn notify individual committee members.
