

St. Louis' dramatic arch rising above the city's historic waterfront welcomes AOCs members to the 69th Annual Meeting to be held May 14-18, 1978, in the Chase-Park Plaza Hotel. More than 200 papers will provide another extensive technical program on all aspects of fats, oils, and lipids. Historic and modern attractions promise entertainment and excitement for all who attend. Reserve time on your calendar now and join AOCs in the Spirit of St. Louis.
