

# Program announced for processing short course

T.L. Mounts

L. Dugan

The program for the AOCs Short Course on Processing and Quality Control of Fats and Oils has been completed by Program Chairman T.L. Mounts, with sixteen of the seventeen speakers selected.

The course is to be held June 25-29, 1978, in the Kellogg Center, Michigan State University, East Lansing, MI. The final registration fee has not been set, but probably will be approximately \$225, which will include a double-occupancy room; a Sunday evening mixer; all meals during the conference; morning and afternoon coffee breaks; and a copy of the proceedings of the short course. Registrants also will have access to recreational facilities at Michigan State University, including the outdoor swimming pool, golf courses, and intramural building. Local chairman is Leroy Dugan, assistant dean and professor in the Department of Food Science and Human Nutrition at Michigan State University.
