

President's Club & Honor Roll

The members listed here have qualified for either the AOCs President's Club or President's Honor Roll. All current members who successfully recruit at least one new member qualify for Club membership. Successful recruitment of at least three new members is the qualification for the more prestigious Honor Roll. All Club and Honor Roll members will receive further recognition and the opportunity to participate in other special programs and activities. Special forms for use in recruiting new members are available from the AOCs headquarters.

AIC certification

The American Institute of Chemists is now accepting applications for its 1979 certification program. Deadline is Feb. 15, 1979. This is the second year for the program, which certifies qualified candidates as certified professional chemists or certified chemical engineers. Persons who maintain their proficiency through professional development, continuing education and other activities are eligible. Full information and applications are available from David A.H. Roethel, Executive Director, National Certification Commission in Chemistry and Chemical Engineering, 7315 Wisconsin Avenue, Washington, DC 20014 (tele: 301-652-8634). ●
