## Obituaries

---

### Ferris Altherr

Ferris Altherr, a member of the AOCS since 1951, died April 1, 1979. He was director of research at Seacoast Products, Inc., in Port Monmouth, NJ.

Mr. Altherr was a 1937 graduate of the Brooklyn Polytechnic Institute. He was a specialist in the chemistry of fish oil and related products. ●

### Emmett D. Russey

Emmett D. Russey, a member of AOCS since 1954, died unexpectedly on March 24, 1979. He was 65.

Mr. Russey had retired in June 1977 as plant manager of Safeway Stores Inc. Edible Oil Refinery in Denison, TX, and had worked as a consultant to several firms since then. Mr. Russey had worked for Safety approximately 25 years before his retirement and had worked for Armour & Co. for 20 years before joining Safeway. Survivors include his wife, Ruby, and two sons, David and Danny. ●
