

New Publications

The How and Why of Pfaunder Glasteel is an eight-page brochure describing the areas of application and anticorrosive properties of Glasteel equipment. Photographs, charts and narratives are included. For a free copy, request Bulletin 1117, The Pfaunder Co., Division of Sybron Corp., PO Box 1600, Rochester, NY 14603.

The *Nalco Water Handbook*, edited by Frank N. Kenner, contains nontechnical information about water treatment. The four sections include studies of water chemistry, unit operations in water treatment, use and disposal of water by industries and municipalities, and special technology in water treatment. The 799-page handbook is illustrated and costs \$28.50, from McGraw-Hill, 1221 Avenue of the Americas, New York, NY 10020.

Engineering and Construction Services to the Fine Chemicals, Pharmaceutical and Food Processing Industries is an eight-page, full color brochure available free from Procon International, Inc. Included is a description of services Procon offers to industry. Write: Procon International, Inc., 50 UOP Plaza, Des Plaines, IL 60016.

A *Collection of Materials Safety Data Sheets*, formerly restricted for General Electric internal use, has now been published and may be obtained from General Electric, Research and Development Center, 120 Erie Blvd., Schenectady, NY 12305.

A *Topicals Manual* subtitled "A Compendium of Vehicles for the Pharmaceutical Chemists," is available free from Amerchol. The book contains information on Amerchol's lanolin, glucose and ultraviolet absorbing materials, including complete monographs on other products. Each manual has a registration card for requesting updated information as it is issued. Contact: Abraham Seldner, Amerchol Corp., PO Box 351, Talmadge Rd., Edison, NJ 08817.

The *Environment Reporter*, the second of two monographs by Bradley I. Raffle, has been published by the TRC Research Corporation of New England. This 74-page document discusses the Clean Air Act programs for Prevention of Significant Deterioration (PSD) and Nonattainment. For information, contact: William A. Cote, TRC Corp., 125 Silas Deane Highway, Wethersfield, CT 06109.

Section News

Northeast to meet Sept. 11

The Northeast Section plans to present its annual Achievement Award during a dinner meeting Tuesday, Sept. 11, at The Robin Hood Inn in Clifton, NJ. The award is presented to persons who have performed distinguished service to the Northeast Section and AOCS.

Six other meetings are scheduled through next June.

The section's annual symposium will be held on Monday and Tuesday, Nov. 5-6, on "Processing and Nutrition of Edible Fats and Oils" at the Meadowlands Hilton, Secaucus, NJ.

"New Concepts in Bleaching" will be the topic for a Tuesday, Dec. 11 meeting at the Mountainside Inn, Mountainside, NJ. "Food Emulsifiers—Theory, Applications, and New Developments" will be the subject at a Tuesday, Feb. 12, meeting at the Hilton Convention Center in Hightstown, NJ. "Synthetic Fatty Acids and Synthetic Lubricants" will be discussed at a Tuesday, March 25 meeting at the Newark Airport Sheraton. The annual Ladies Night will be held Tuesday, June 3, at the Robin Hood Inn with a program on "Label Interpretation."

North Central to meet Sept. 18

The North Central Section will open its program year on Tuesday, Sept. 18, with a dinner meeting at Neilson's Restaurant, 7330 W. North Ave., Elmwood Park, Illinois.

Dates for other meetings will be Wednesday, Nov. 14, visit to Northern Regional Research Center; Wednesday, Feb. 13, 1980, Bailey Award dinner; Wednesday, March 26, all-day symposium; and Wednesday, May 21, Ladies Night. Specific program, time and place for each meeting will be announced later.

At a summer executive committee meeting, Neil Widlack was named house chairman, in charge of arrangements for meetings, while Bob Ragutti and Lakho Khatri were named program chairmen.

The Nov. 14 visit to the USDA's Northern Regional Research Center in Peoria will begin about 3 p.m. with dinner in a Peoria restaurant after the tour is completed. The tour will be open to all interested AOCS members, not limited to North Central Section members. Details will be available later.
