North American Edition  
International Edition

**Functional Materials**

**DETERGENTS AND EMULSIFIERS/North American Edition** has been published since 1947 for purchasers and users of surfactant materials. Over 4,000 surfactant materials are described by trade name, identity, manufacturer, concentration, type, HLB Index and application.

**DETERGENTS AND EMULSIFIERS/International Edition** lists the same type of information for materials manufactured in countries outside the U.S. and Canada.

**FUNCTIONAL MATERIALS** lists information on products and suppliers for products which serve such functions as absorbents, algacides, chelating agents, corrosion inhibitors, dispersants, emollients, lubricants, plasticizers, solubilizers, solvents, thickeners and waxes. The materials are described by function, trade name, manufacturer, identity, physical characteristics and product application.
