

Keep track with Grindsted

Grindsted has the broadest range of emulsifier products available to the food industry and an unparalleled technical service. That's two good reasons for keeping track with Grindsted.

No matter what your emulsifier requirement e.g.

emulsion stabilizing
starch complexing
crumb softening
dough conditioning
foam stabilizing
crystal modifying

Grindsted has the products and the expertise.

Grindsted is also one of the world's leading suppliers of tailor-made dairy flavors for margarine, shortening and all fat-containing foods.

Get in touch with Grindsted, and let's make tracks together.
