## Call for nominations— AOCS officers

Nominations for officers of the AOCS to serve from May 1982 to May 1983 are now being considered by your Nominating and Election Committee. The Committee needs the assistance of all active members and emeritus members in selecting candidates for these offices.

In accordance with the AOCS by-laws, the Vice-President will be proposed without opposition for the office of President. The officers to be elected, along with the four most recent Past Presidents, will form the AOCS Governing Board. For your information the present AOCS officers are:

President . . . . . E.G. Perkins  
Vice-President . . . . . K.T. Zilch  
Secretary . . . . . J. Beare-Rogers  
Treasurer . . . . . T.H. Smouse  
Member-at-Large . . . . . L. Metcalfe  
Member-at-Large . . . . . A. Gavin  
Member-at-Large . . . . . D. Min

You will find recent editions of *JAOCS* and the AOCS Membership Directory useful in indicating the names of members who have served in the past and others who would prove to be of advantage to the AOCS and to the sciences if elected.

## AOCS staff changes

Sara Arndt has left her post as Assistant News Editor of *JAOCs* to begin a 10-month round-the-world backpacking trip. Taking her place is Robin Miller, formerly affiliated with the National Water Well Association as Editor-in-Chief of the *Ground Water Monitoring Review*.

The first voice you're likely to hear when you phone AOCS belongs to Joyce Farestad, our new receptionist, who joined the staff on August 17, replacing Laurie Lee, who left to help her husband as youth minister to a church in Oklahoma.

Notice of Nancy Cassells' arrival at AOCS is late in coming. Nancy joined the *JAOCs* staff as a typesetter on October 6, 1980.

## Northeast Section sets 1982 dates

The Northeast Section of AOCS has set four tentative dates for its meetings during the first half of 1982.

AOCS President E.G. Perkins is scheduled to speak at a Jan. 12 meeting to be held at the Coachman in Cranford, NJ.

The February meeting is scheduled to be held Feb. 9 at a site to be determined. Enzymes will be topic for a meeting tentatively scheduled for April 13 at a site to be announced. The annual guest night will be June 1 at a site to be determined. □
