Handbook of Soy Oil Processing and Utilization

Edited by David R. Erickson, Everett H. Pryde, Ordean L. Brekke, Timothy L. Mounts, and Richard A. Falb. 1980, 598 p., \$7. Published by the American Soybean Association and the American Oil Chemists' Society. Order from: AOCS, 508 S. Sixth St., Champaign, IL 61820

For the first time, information regarding the processing, use and marketing of soy oil and soy oil products has been brought together in one volume. The book describes soy oil's attributes, through the preparation and processing steps to formulation of soy oil products. A valuable handbook to anyone in the edible oil industry.

Proceedings of the World Conference on Soya Processing and Utilization

Edited by A.R. Baldwin. 1981, 480 p., \$15 AOCS members, \$20 non members; American Oil Chemists' Society, 508 S. Sixth St., Champaign, IL 61820

The proceedings provides the text of plenary session talks during this international meeting held November 9-14, 1980, in Acapulco, Mexico. Subjects range from production of soya, processing of soya, soya oil and soya protein. A comprehensive review of the world's most important commercial oilseed crop.

ORDER COUPON—Mail to AOCS, 508 South Sixth Street, Champaign, IL 61820.
