## New journal announced

A new journal, *Journal of Leather Research*, is to be published by the Leather Research in Nigeria on a quarterly basis beginning in 1983. The journal will accept manuscripts on related topics such as general chemistry, biochemistry, biophysics, quality control, processing, economics and marketing. Further information regarding subscriptions or submitting manuscripts is available from the *Journal of Leather Research*, Leather Research Institute of Nigeria, P.M.B. 1052, Zaire, Nigeria.
