## AOCs Mission Statement

To be a forum for the exchange of ideas, information and experience among those with a professional interest in the science and technology of fats, oils and

related substances in ways that promote personal excellence and provide for a high standard of quality.

## Declaration by the Governing Board

The American Oil Chemists' Society is organized for charitable, educational and scientific purposes. It does not have as its purpose the promotion of any product, manufacturers, laboratory or business. Members of the Society, and employees of the Society, do not and may not speak for or on behalf of the Society without the expressed permission of the Governing Board.

This prohibition includes the use of the American Oil Chemists' society logo or letterhead when making a statement of a technical or economic nature. Members of the Society, or employees of the Society, speak only for themselves when giving opinion or making statements concerning technical matters and economic matters.
