**Stuart A. Allison:** Low Reynolds Number Transport Properties of Axisymmetric Particles Employing Stick and Slip Boundary Conditions. Volume 32, Number 16, August 24, 1999, pp 5304–5312.

Equation 21 is incorrect and should have read:

$$\mathbf{a} = -\frac{1}{2}\mathbf{v}_N + \mathbf{D}\cdot\mathbf{v}_N + \mathbf{v}_\infty + \mathbf{v}^{(0)} \quad (21)$$

The results reported in the manuscript were obtained using the correct expression given above.
