The grid and the corresponding equation, $\delta = \left| \dfrac{\mu_1 - \mu_2}{\sigma} \right|$, which appear on

page 64 as Figure 5, should be interchanged with the grid and equation $\delta = \left| \dfrac{\mu_0 - \mu_1}{\sigma} \right|$

which appear on page 69 as Figure 10.

On page 59, footnote 3 should read

The table was mainly copied from one by Vandrey [1] with four corrections dis-
covered and stated by ACS and recently reproduced in FMRC *Index* [2]. Compari-
son of 792 values with Paran & Kagle, see p. 317, revealed only six further cor-
rections:
