Information to Subscribers

The journal is published quarterly in one volume per year with issues numbered serially since Volume I, Number 1. Volumes I–XVII (1943–1963), the price is \$3.00 per issue; \$12.00 per volume. Back issues are available for most issues. Write for specific information.

Unpublished Mathematical Tables

The editorial office of the journal maintains a repository of Unpublished Mathematical Tables (UMT). When a table is deposited in the UMT repository a brief summary of its contents is published in the section *Reviews and Descriptions of Tables and Books*. Readers may request copies of the tables from the editor, which are made available at a nominal cost.

Microcard Edition

Volumes I–X (1943–1956), Nos. 1–56 are now available on Microcards and may be purchased from the Microcard Foundation, Box 2145, Madison 5, Wisconsin, at a cost of \$20.00 for the complete set. Succeeding volumes are available on request.

Information to Contributors

All contributions intended for publication in *Mathematics of Computation* and all books for review should be addressed to H. Polachek, Technical Director, Applied Mathematics Laboratory, David Taylor Model Basin, Washington 7, D. C. The author may suggest an appropriate editor for his paper. Manuscripts should be typewritten double-spaced in the format used by the journal. For journal abbreviations, see *Mathematical Reviews*, v. 26, Index. Authors should submit the original and one copy, and should retain one copy. With the January, 1965 issue, institutions sponsoring the research reported in the papers published in this journal will be assessed page charges.
