STATEMENT OF OWNERSHIP AND MANAGEMENT

Mathematics of Computation is published quarterly in January, April, July, and October each year by the American Mathematical Society. The Office of Publication and the General Business Office are located at 201 Charles Street, Providence, Rhode Island 02904. The Publisher is the American Mathematical Society. The Managing Editor is Christine Lefian, American Mathematical Society, P.O. Box 6248, Providence, Rhode Island 02940. There are no bondholders, mortgagees or other security holders. EXTENT AND NATURE OF CIRCULATION. Average number of copies of each issue during the preceding twelve months: total number of copies printed: 2,450; sales through dealers and carriers, street vendors and counter sales: 235; paid mail subscriptions: 1,728; total paid circulation: 1,963; samples, complimentary and other free copies: 75; total distribution: 2,038; office use, left over, unaccounted, spoiled after printing: 412; copies distributed to news agents but not sold: 0; total: 2,450. Actual number of copies of single issue published nearest to filing date: same as above.

Second class postage is paid at Providence, Rhode Island
