

## CORRIGENDUM

The review of the book C. BREZINSKI, A. DRAUX, A. P. MAGNUS, P. MARONI & A. RONVEAUX (Editors), *Polynômes Orthogonaux et Applications*, Springer, 1985 (Review **23**, *Math Comp.*, v. 49, 1987, pp. 305–306) was incorrectly ascribed to B. C. CARLSON; it was in fact written by T. S. CHIHARA. We apologize to the reviewer for this unfortunate oversight.
