

Conference Calendar 2009

International Chemistry Conferences planned in Russia in 2009

21–24 April, 2009 St. Petersburg	International Conference ‘Main Chemistry Development Trends at the Beginning of the 21st Century’ http://www.conference2009.spb.ru/site/index.php?lang=en
24–28 May, 2009 Ekaterinburg	4th International Conference on Multi-Component Reactions and Related Chemistry (MCR 2009) http://mcr2009.ru/
21–28 June, 2009 St. Petersburg	5th International Young Scientists Conference on Organic Chemistry (InterYCOS-2009) ‘Universities Contribution in Organic Chemistry Progress’ http://chem.spbu.ru/inteycos-09/ev/gi.html
29 June–2 July, 2009 Novosibirsk	VIII International Conference ‘Mechanisms of Catalytic Reactions’, dedicated to the 70th anniversary of Professor Kirill I. Zamaraev http://www-sbras.nsc.ru/ws/MCR-ZAM/index.en.html
29 June–3 July, 2009 Kazan	XVII International Conference on Chemical Thermodynamics in Russia http://rcct2009.kstu.ru/en/common.jsp
5–10 July, 2009 Lake Baikal	XVI Symposium on High Resolution Molecular Spectroscopy http://symp.iao.ru/en/hrms/16/i1/
11–14 August, 2009 Lake Baikal	12th V. A. Fock Meeting on Quantum and Computational Chemistry http://www.qcc.ru/~fock/meeting.en.php
7–11 September, 2009 Volgograd	10th International Conference on Chemistry and Physicochemistry of Oligomers http://www.icp.ac.ru/conferences/oligo2009/index_eng.html
15–18 September, 2009 Suzdal	5th International Theoretical and Practical Conference ‘Supercritical Fluids: Fundamentals, Technologies, Innovations’ http://www.scftec.ru/scftec/index-e.htm
21–26 September, 2009 Tomsk	VII International Conference ‘Oil and Gas Chemistry’ http://www.ipc.tsc.ru/econf/7m2009/
12–16 October, 2009 Kazan	V International Symposium ‘Design and Synthesis of Supramolecular Architectures’ http://www.icgc2008.ru/
