HOST

By Elie Valiere

In a confusion where the concepts of femininity and masculinity mix, this impalpable vision appears.

An ethereal, haunting, ghostly and humanoid silhouette.

She seems to invite us to a timeless journey, in which it seems that the body and the personality are so interested, the old ones no more and everybody.

Who is it?

let yourself be carried on the journey to the unknown, this trip to which I wanted to invite you.

Anthon Smith

“unapologetic”

Anthon's photographs transport us into bold, intimate, solitary moments: captured metaphors - like remembering a dream. Their new series "unapologetic" (with Linlin Huang) depicts authenticity and empowerment in abandoned space, repurposed and reclaimed. We are enculturated into conforming to imposed social constructs. We know ourselves to be something else. We are becoming. Unapologetically.

To demonstrate the identities we choose and reshape from these broken historical constructs, a figure stands emboldened and vulnerable. Abandoned space speaks volumes to the parts of us that we redefine. Our identities evolve, and "unapologetic," captures the beauty and nostalgia of deconstruction and self-determination.

VALKYRIA PartII By Eric Maurice

From time immemorial history and mythology, the warrior woman is present

- Flying! Powerful ! Enchantress! Fatal !

Eric Maurice pays tribute to them.

These heroic women, who boldly lead their battle and govern without measures.

Like the Valkyries, fighting alongside the Nordic gods.

Two parts on this collection

* Valkyria Looks

* Valkyria Sparkle:

- Determined, combative woman!

- Warrior woman, devastating!

- Graphic cuts and conquering colors!

- imperialist and sulfurous colors!

- High hairdressing and high stitching!

- Frenetic Pigments!

A collection dedicated to women of today, by their beauty and ultimate power put forward by the creations D'Eric Maurice.

Valkyria, an ode to the warrior woman.

SWEET CORAL By Laurie Cesari

The mini collection "SWEET CORAL" was created in collaboration with the Photographer Pascal Latil, inspired by L'Oreal's colorful hair. We wanted to highlight on our model Louise the "Sunset Coral" worked with different dilution to bring the depth. Thanks to its length and its gradation, we were able to work several styling styles, curly, fuzzy and some fasteners.

Laurie Cesari

The 33-year-old started hairdressing at the age of 15.

Entered 13 years ago in the group Just Hair, a family-owned brand of 9 hairshop in the south france, she has been the manager of the hairshop d'Istres in the Bouches du Rhône for 7 years and works as a trainer at the SEA School at Aix en Provence.

Younger Laurie won several FNC competitions in the bridal hair category, after more than 10 years without competing, she embarked on L'Oréal Style and Color Trophy adventure and the Haute Coiffure Française (international Trophy) or the Big One, where she will be finalist at the three french competitions this year
