Erratum

The paper entitled Mixing of nanofluids: molecular dynamics simulations and Modelling published in Molecular Simulation, Vol. 32, No. 6, 15 May 2006, 419–426 contains the following errors:

The stream velocity element should be denoted as v throughout and the kinematic viscosity should be denoted as ν .

The pressure tensor should be written as \mathbf{P} in equation (15) and in the following paragraph.

Equation (16) should appear thus: $\nu \nabla^2 \mathbf{u}$

A corrected version of the complete article is available online through our website www.tandf.co.uk/journals.

Taylor & Francis apologise for these errors and for any inconvenience caused.
