

ICOM 4

Fourth International
Conference
on Mycorrhizae

AUGUST 10-15 2003 MONTRÉAL CANADA

"Mycorrhiza : fundamental and multipurposed"

Symposiums

- ◆Agronomy practices
- ◆Soil Quality
- ◆Evolution, Phylogeny
- ◆Structural biology
- ◆Whole plant physiology
- ◆Water relationships
- ◆Genomic and proteomic
- ◆Intraspecific variations
- ◆Ecology of the world
- ◆Biocomplexity of mycorrhizal networks
- ◆Mycorrhizas and plant pathology
- ◆Mycorrhizas and climatic changes
- ◆In vitro propagation
- ◆Inoculum production
