**Erratum to: Mycoscience (2011) 52:53–58**  
**DOI 10.1007/s10267-010-0066-3**

Errors appeared in the article published in *Mycoscience* 2011, 52:53–58. The Genbank accession numbers that were published as AB559001, AB559002, AB559003, AB559004 and AB559005 should have been AB559000, AB559001, AB559002, AB559003 and AB559004, respectively. The erroneous numbers appeared on page 54 in Table 1. The Genbank accession number AB36893 on page 54 in the third paragraph (right column) should have been AB036893.
