MATERIALS RESEARCH BREAKTHROUGH!

Journal of Materials
Chemistry is the FIRST
WEEKLY journal in the
field - bringing you the
latest research, faster!

Journal of Materials Chemistry...
the only place to keep up-to-date, every week!

www.rsc.org/materials

A new interdisciplinary journal for research that is emerging at the interface between chemistry and biology

Molecular BioSystems

New for 2005

Molecular BioSystems will publish novel and significant research and development at the interface between chemistry and the -omic sciences and systems biology. In particular, this includes:

- Cellular processes
- Proteomics and genomics
- Drug discovery
- Techniques and technologies relevant to these subject areas
- Metabolism
- Systems biology
- Biomaterials
