

your new weekly

JOURNAL SETS SPEED RECORD

It's official:
Journal of Materials
Chemistry is the
fastest place to
get your materials
chemistry research
published.

With publication times (from receipt to print publication) twice as fast as our main competitors, it's the only place to keep up-to-date every week!

Call for papers!

Soft Matter

New for 2005 - a high quality interdisciplinary journal publishing research into soft materials, including complex fluids.
