

# RSC Database and Current Awareness Products

- Abstracted from high quality sources
- Easy to use search functions
- Clearly displayed results
- Spanning the chemical sciences

for quick and easy searching

## Graphical Databases

present search results in both text and graphical form. Titles include *Catalysts & Catalysed Reactions*, *Methods in Organic Synthesis* and *Natural Product Updates*.

## Specialist Databases

review both academic and industrial literature on a wide range of hard to reach and unique information. Titles include *Chemical Hazards in Industry* and *Laboratory Hazards Bulletin*.

## Analytical Abstracts

is the first stop for analytical scientists. Offering coverage on all areas of analytical and bioanalytical science. With a fresh new look, including improved search and results features, *Analytical Abstracts* offers an excellent online service.

# Specialised searching

The graphical abstracting services at the RSC are an indispensable tool to help you search the literature. Focussing on specific areas of research they review key primary journals for novel and interesting chemistry.

## requires specialised tools

### Natural Product Updates

NPU  
Number 74 | July-August 2006 | ISSN 1361-0118

Natural Product Updates covers new developments in natural product chemistry including: isolation studies, biosynthesis, novel natural products, and biological activities.

The online database has excellent functionality. Search by: non-plant sources, taxonomic names, biological activity, compound class, natural products as well as the Standard bibliographic data.

#### 50875 The first total synthesis of aeruginosamide

Z. Chen; T. Ye\*

*New J. Chem.*, 2006, 30(4), 518-520

The absolute stereochemistry of the natural product is confirmed

aeruginosamide  
[α]<sub>D</sub><sup>20</sup> = +81.6 (c 0.7, CHCl<sub>3</sub>)

With Natural Product Updates you can find exactly what you need. Search results include structure diagrams, trivial and taxonomic names and molecular formulae. Also available as a print bulletin.

Registered charity Number 207890
