

The RSC Drug Discovery Series

The new **RSC Drug Discovery Series** is a suite of professional reference books that will encourage learning in a range of different topics and provide an up-to-date perspective to scientists working outside of their own areas of expertise. The competitive advantage of the series is that it will provide comprehensive coverage of the drug discovery process with an emphasis on learning and critical evaluation.

Key Features

- Case studies to bring alive different aspects of the drug discovery process
- Structured to walk readers through different aspects in a logical fashion
- Sufficiently detailed not just with respect to theory but also practices and guidelines
- Comprehensive treatment with contributions from internationally recognised leaders in the field

Readership

Advanced and postgraduate level students, medicinal chemists, scientists in pharmaceutical companies and university departments, in the areas of chemistry, pharmacy and the pharmaceutical sciences.

Editor-in-Chief: Professor David Thurston, London School of Pharmacy, UK

Series Editors: Dr David Fox, Pfizer Global Research and Development, Sandwich, UK | Professor Salvatore Guccione, University of Catania, Italy
Professor Ana Martinez, Instituto de Química Médica-CSIC, Spain
Dr David Rotella, Wyeth Research, USA

Advisor to the Board: Professor Robin Ganellin, University College London, UK

Information, advice, support and benefits for members

Keep up to date with the chemical sciences

Chemistry world - award-winning chemical science magazine

RSC Virtual Library - free e-content and Chemistry Search Service

RSC Books and Journals - high-quality books, journals and periodicals

Receive *One to One* advice and support

Careers advice tailored to you - free and confidential advice and guidance

Professional Development - CPD, training and Chartered Chemist

Get involved with the scientific community

MyRSC - Professional online network for the chemical sciences, hosted by the RSC

Interest Groups - focusing on specific areas of the chemical sciences

RSC Networks - establish useful contacts and participate in a range of events

Conferences and training courses - covering a wide range of subjects

Take advantage of a wide range of member benefits

RSC News - the latest information about the RSC and its members

Funding and awards - conference bursaries, travel grants, awards and prizes

Huge discounts - including entertainment, travel, insurance, and accommodation

If you are not a member of the RSC it is easy to join
