

RSC Events – reflecting the global nature of science  
“Chemistry – our life, our future”

# RSC Events 2011

Join the world’s leading scientists to share knowledge and information within the chemical sciences

**Frontiers in Spectroscopy  
(Faraday Discussion 150)**

6–8 April 2011, Basel, Switzerland

**1st International Conference on  
Clean Energy**

10–13 April 2011, Dalian, China

**EICC-1: First EuCheMS Inorganic  
Chemistry Conference**

11–14 April 2011, Manchester, UK

**Hydrogen Storage Materials  
(Faraday Discussion 151)**

18–20 April 2011, Didcot, Oxon, UK

**6th International Symposium on  
Macrocyclic and Supramolecular  
Chemistry (6-ISMSC)**

3–7 July 2011, Brighton, UK

**Gold**

**(Faraday Discussion 152)**

4–6 July 2011, Cardiff, UK

**10th International Conference on  
Materials Chemistry (MC10)**

4–7 July 2011, Manchester, UK

**Challenges in Renewable Energy  
(ISACS4)**

5–8 July 2011, Boston, USA

**22nd International Symposium:  
Synthesis in Organic Chemistry**

11–14 July 2011, Cambridge, UK

**Coherence and Control in Chemistry  
(Faraday Discussion 153)**

25–27 July 2011, Leeds, UK

**Analytical Research Forum 2011**

25–27 July 2011, Manchester, UK

**Challenges in Chemical Biology  
(ISACSS)**

26–29 July 2011, Manchester, UK

**Ionic Liquids**

**(Faraday Discussion 154)**

22–24 August 2011, Belfast, UK

**Challenges in Organic Materials  
& Supramolecular Chemistry  
(ISACS6)**

2–5 September 2011, Beijing, China

**Artificial Photosynthesis**

**(Faraday Discussion 155)**

5–7 September 2011, Edinburgh, UK

► For further details and to view the full RSC events programme visit:

[www.rsc.org/events](http://www.rsc.org/events)

## Member discounts at RSC events

Don't forget that as a member of the RSC you can take advantage of excellent discounts when attending an RSC event:

- **Registration fee reductions** for RSC members
- **Bursaries and travel grants** available to attend centrally organised RSC conferences
- **Substantial discounts for students** include a reduced conference registration fee with other savings available

RSC Events provide an excellent opportunity for you to build your network. Continue to follow your subject through our specialist **Interest Groups** and **MyRSC**, the online professional network for chemical scientists.

► To find out more about these and the other benefits, services and discounts available to RSC members visit:  
[www.rsc.org/members](http://www.rsc.org/members)

► If you are not a member of the RSC it is easy to join. Go online at:  
[www.rsc.org/join](http://www.rsc.org/join) or call +44(0)1223 432141

# Top Science...New Journal Free Access

**Catalysis Science & Technology** - focusing on both the fundamental science and technological aspects of catalysis.

[www.rsc.org/catalysis](http://www.rsc.org/catalysis)

**Chemical Science** - presents findings of exceptional significance from across the chemical sciences.

[www.rsc.org/chemicalscience](http://www.rsc.org/chemicalscience)

**Food & Function** - linking the chemistry and physics of food with health and nutrition.

[www.rsc.org/foodfunction](http://www.rsc.org/foodfunction)

**MedChemComm** - focusing on medicinal chemistry research, including new studies related to biologically-active chemical or biochemical entities that can act as pharmacological agents with therapeutic potential or relevance.

[www.rsc.org/medchemcomm](http://www.rsc.org/medchemcomm)

**Polymer Chemistry** - publishing advances in polymer chemistry covering all aspects of synthetic and biological macromolecules, and related emerging areas.

[www.rsc.org/polymers](http://www.rsc.org/polymers)

## Highest Quality, Highest Impact
