# International Symposia on Advancing the Chemical Sciences (ISACS)

## Challenges in Chemical Biology (ISACS5)

26-29 July 2011 • University of Manchester, UK

### Topical

Gain a state-of-the-art review of current research developments and identify future challenges in a comprehensive plenary programme.

### Interactive

Network with the editors of *Chemical Science* and international colleagues and present your research in the poster sessions.

### Dynamic

Hear from a new generation of exceptional, internationally renowned researchers.

### New for 2011

We have a limited number of oral presentation slots available at ISACS5. If you are interested in presenting your work at the meeting, visit the website to submit your abstract for consideration by the conference committee.

### About ISACS

The International Symposia on Advancing the Chemical Sciences (ISACS) is a significant new global symposia series, supporting the launch of the new RSC flagship journal *Chemical Science*.
