

Click through to a great career

@ ChemCareers 2012

THE CAREERS FAIR WITH A DIFFERENCE

29 - 30 May 2012

Hosted on MyRSC, the online community for the chemical sciences

Explore what options are available in chemistry by taking part in this exciting online event.

ChemCareers will allow you to:

- **Discover** the huge range of career opportunities available to chemical scientists
- **Learn** how to market yourself to employers in job applications and interviews
- **Seek** expert advice on career planning and making your next career move
- **Investigate** further study options

Register now at <http://my.rsc.org/chemcareers> and sign up to the ChemCareers group to keep up-to-date with the full programme of events planned for 2012.
