Looking for cutting-edge  
chemistry?  
Interested in growing your  
professional network?

RSC e-membership allows you to...

- Keep up-to-date with the award-winning *Chemistry World* magazine online for the latest global chemistry news
- Connect and interact with the international scientific community on MyRSC, the professional network for the chemical sciences
- Engage with like-minded scientists in your field by joining a virtual specialist interest group and discuss the science that matters to you
