Do you submit crystallographic data with your articles? Confused by what you need to do?

Then you'll be glad to hear that we are making it easier for you:
from September 1st, all crystal data files (CIFs) must be accompanied by the CCDC
reference number(s) when you submit your article.

As this change also aligns us with preferred CCDC practices, it means a more
streamlined process for everyone involved.

Full details are available on our website.
