

Additions and Corrections

Volume 13, 2010

Muna Ali Abdalla, Prem P. Yadav, Birger Dittrich,
Anja Schüffler, and Hartmut Laatsch*

ent-Homoabyssomicins A and B, Two New Spirotetronate
Metabolites from *Streptomyces* sp. Ank 210

Page 2158. In Figure 3, in structure one the oxygen bridge
is missing, and in the other structures the H atom of the
hydroxyl group is missing. A corrected figure is provided.

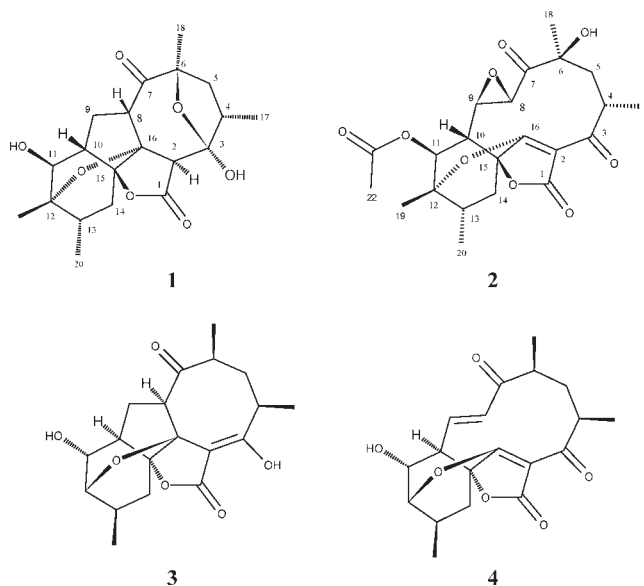

Figure 3. Structures of *ent*-homoabyssomicins A (1), B (2),
abyssomicins D (3) and C (4).
