

Additions and Corrections

Volume 13, 2011

Ivan V. Korendovych, Scott J. Shandler, Geronda L. Montalvo,
and William F. DeGrado*

Environment- and Sequence-Dependence of Helical Type
in Membrane-Spanning Peptides Composed of β^3 -Amino
Acids

Page 3475. The peptide sequences for β -CHAMP and
 β -CHAMP G14I were incorrectly reported in Table 1.
A corrected Table 1 is presented below.

Table 1. Sequences of the β -CHAMP Peptides^a

β -CHAMP	KKKVLWVLVGLLGLIGFIVVLVVKKK
β -CHAMP G14I	KKKVLWVLVGLLILIGFIVVLVVKKK
β -CHAMP _{scr}	KKKVVVIVGIVLVFLGLVWLGLKKK

^a One letter code refers to the corresponding β^3 -amino acid.
