

Additions & Corrections

Correction to Cover, Issue 6, 2003

The cover text highlighting the Special Sections in issue 6 of 2003 incorrectly identified one of these sections. The correct name of the Special Section is "Polymorphism and Crystallization". ACS Journal Publications apologizes for this error.

Some Items of Interest to Process R&D Chemists and Engineers

Trevor Laird,* Stephen A. Hermitage, and Ulf Tilstam
(*Org. Process Res. Dev.* 2003, 7, 614–621).

We have noticed a mistake in one of the schemes in the Highlights from the Literature section of *Organic Process Research & Development*, which was published in Issue 5, 2003. The scheme associated with "Facing Chirality in the 21st Century" on page 619 of this issue should be replaced by the following scheme.
