

## Additions & Corrections

### **A Concise Synthesis of Racemic 1-(6,7-Dimethoxy-2-naphthyl)-1-(1*H*-imidazol-4-yl)-2-methylpropan-1-ol for a Potent C<sub>17,20</sub>-Lyase Inhibitor**

Jun-ichi Kawakami,\* Kazuhiro Kimura, and  
Masayoshi Yamaoka  
[*Org. Process Res. Dev.* **2007**, *11*, 206 – 209].

The following errors in the original article should be corrected. The compound name of **2** in the title, the abstract, and the text should be “1-(6-methoxy-2-naphthyl)-1-(1*H*-imidazol-4-yl)-2-methylpropan-1-ol” instead of “1-(6,7-dimethoxy-2-naphthyl)-1-(1*H*-imidazol-4-yl)-2-methylpropan-1-ol”. Also, as for the compound name of **1** in the text, “(1*S*)-1-(6,7-dimethoxy-2-naphthyl)-1-(1*H*-imidazol-4-yl)-2-methylpropan-1-ol” should be replaced by “(1*S*)-1-(6-methoxy-2-naphthyl)-1-(1*H*-imidazol-4-yl)-2-methylpropan-1-ol”.
