**Ilia Khorobkov, Sandro Gambarotta,\* Glenn P. A. Yap, and Peter H. M. Budzellar\***: Reversible Alkylation at the Pyridine Nitrogen in a  $\alpha,\alpha'$ -Diimine Pyridine Ligand System

Page 3088. While this work was in progress, Prof. V. Gibson made us aware of very similar findings by his group. A slanted prime (') was inadvertently left out of the original title. The correct title of the paper appears above.
