

Reviewers for Pharmaceutical Research November 1997 Through October 1998

The editors of *Pharmaceutical Research* wish to thank the reviewers, whose names appear on the list below, for their generosity with their time in offering insightful reviews on the manuscripts for the journal. They play a key role in keeping the high quality standards of *Pharmaceutical Research*. Those reviewers with *** after their names reviewed more than 10 manuscripts during the 12-month period, while those with ** after their names 8 manuscripts and those with * after their names 6–7 manuscripts.
