

## Erratum

**LC-UV-Electrospray-MS-MS-Mass Spectrometry Analysis of Plant Constituents Inhibiting Xanthine Oxidase.** By Emanuele Gariboldi, Daniela Mascetti, Giovanni Galli, Pierre Caballion, and Enrica Bosisio. *Pharm. Res.* **15(6):** 936–943 (1998).

Due to an error, the name of the plant studied in the above paper was listed as *Amyena scandens* instead of *Amyema scandensi*, which is the correct spelling.

## Announcement

The Leiden/Amsterdam Center for Drug Research will be organizing the following courses:

**International Course on Pharmacokinetic-Pharmacodynamic Modeling (Concepts and Applications)**, September 22–25, 1999, Amsterdam, The Netherlands. Course directors: Professor M. Danhof, Dr. J. W. Mandema, and Dr. W. J. Jusko.

**VIII School on Medicinal Chemistry**, October 26–29, 1999, Noordwijkerhout, The Netherlands. Course directors: Professor H. Timmerman and Professor A. P. IJzerman.

For more information please contact the LACDR Secretariat, Mrs. F. J. Velthorst, LACDR, P.O. Box 9502, 2300 Leiden, The Netherlands. Phone: 31 71 527 4341; Fax: 31 71 527 4277; e-mail: velthorst@lacdr.leidenuniv.nl
