

Reviewers for Pharmaceutical Research November 1999 Through October 2000

The editors of *Pharmaceutical Research* wish to thank the reviewers named below for their generosity with their time in rendering insightful reviews on the manuscripts submitted for consideration of publication in the journal. They have played a key role in keeping the high quality standard of *Pharmaceutical Research*. Those reviewers with *** after their names reviewed more than 6 manuscripts during the 12-month period, while those with ** after their names reviewed 4–5 manuscripts.
