

AAPS ELECTRONIC SCIENTIST

Covering Pharmaceutical Science and Research on the Internet.

November 2000

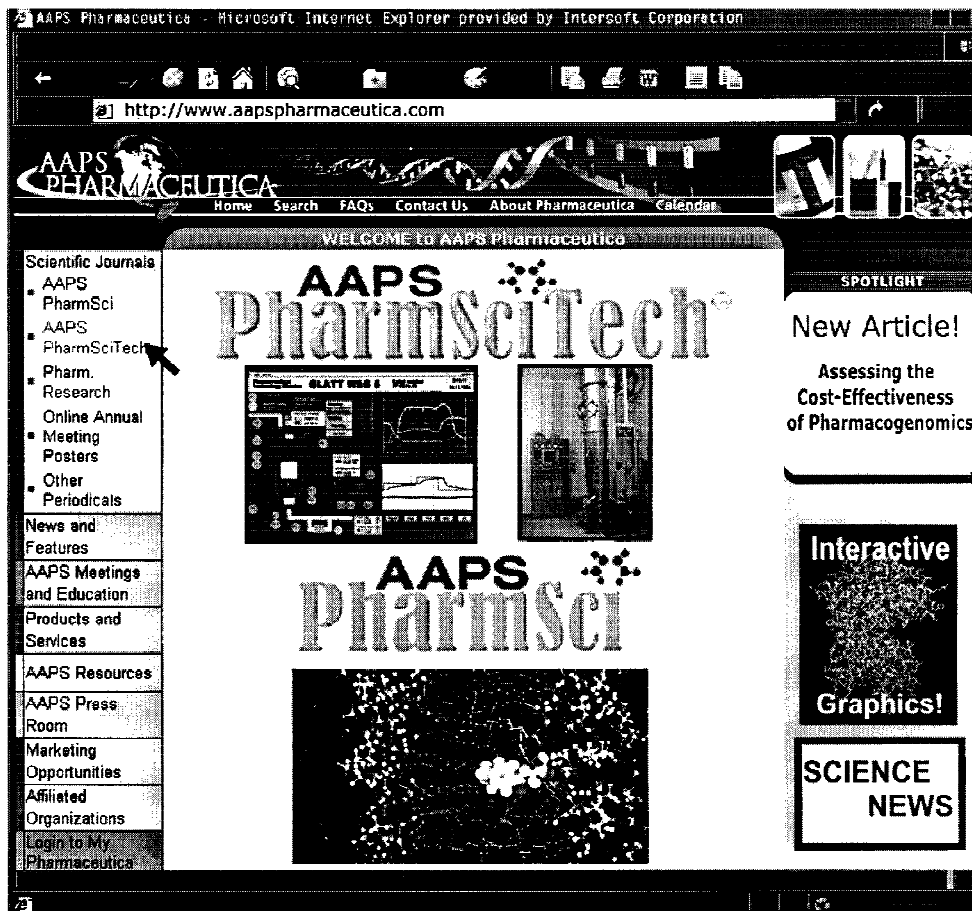

AAPS Launches Revolutionary Portal for the Pharmaceutical Sciences

AAPS Pharmaceutica, www.aapspharmaceutica.com, is the complete portal to essential pharmaceutical science information, products and services.

AAPS Pharmaceutica offers:

Cutting edge research— peer-reviewed papers— contained in the industry's acclaimed journals:

- *AAPS PharmSciSM*, covering all areas dealing with drug discovery, development and therapy (complete content available online),
- *AAPS PharmSciTechSM*, featuring basic and applied research on pharmaceutical dosage forms, both traditional and novel, including the emerging area of biopharmaceuticals (complete content available online), and
- *Pharmaceutical Research*, the industry's premier journal, with the highest citations (now available online in its entirety in the members-only/e-subscriber section).

The latest information on important AAPS events— such as the AAPS Annual Meeting and innovative workshops on timely topics such as “Practical Approaches to Current

Pre-Approval Inspection Initiatives,” “Assuring Quality and Performance of Sustained and Controlled Release Parenterals,” and “Dissolution: Current and Emerging Practices; Methodology, Technology and Regulatory Issues.”

News Room with breaking news in the pharmaceutical sciences:

- Access press releases on the latest research findings.
- Preview new scientific research by accessing the AAPS Annual Meeting Abstracts and AAPS journals such as *AAPS PharmSci* and *AAPS PharmSciTech*.
- Find the latest AAPS position statements.
- Learn more about the AAPS Annual Meeting, including program highlights, news room, hotel and registration information, sites of future annual meetings, and other special events.
- Learn more about the background of the pharmaceutical sciences, the history of AAPS and future AAPS workshops and meetings.
- Discover more about AAPS' 10,000 members, including a detailed membership profile.
- Access the biographies of AAPS leaders.

Valuable AAPS resources and services for locating and learning about more than 750 exhibitors, suppliers and sponsors in the pharmaceutical industry, as well as contacts within the federal government and related organizations.

AAPS Online Career Center

- No longer a benefit exclusively available to AAPS Members, the career center includes access to resume posting and searching, recruitment service information, career articles, employment opportunities, and mentoring program information.

Reuters News Feed

- Access a selected sampling of the latest pharmaceutical and health news every business day.

ATTENTION AUTHORS!

Your Book Publishing Partner

AAPS, the leading organization of pharmaceutical scientists and related scientists, has launched the AAPS Press. Whether an established author, or a recently minted Ph.D. who wants to break into print in a big way, send us your manuscript and we'll get the word out.

Learn more about this exciting book program. Call expert senior editorial manager George Gold, AAPS Program Director, at 703-248-4765; e-mail, goldg@aaps.org
