AAPS—YOUR FORMULA FOR SUCCESS!

December 2003

## AAPS 39th Annual Pharmaceutical Technologies Conference at Arden House Quality by Design in Pharmaceutical Development and Manufacturing: Principles, Applications, and Scientific Risk-Based Regulatory Decisions

January 25 - 30, 2004  
Arden House Conference Center  
Harriman, NY

The 39th Annual Pharmaceutical Technologies Conference at Arden House 2004 will provide an opportunity to discuss with industry, academic, and regulatory leaders the various elements of pharmaceutical quality by design concept, its applications, and regulatory implications. The conference is structured around an emerging shared vision for pharmaceutical manufacturing in the 21st century and will also provide an opportunity for in-depth discussion and debate to ensure that this emerging vision truly becomes a shared vision of the pharmaceutical community.

## AAPS Journals Feature the Latest Pharmaceutical Science Research

*AAPS PharmSci*<sup>SM</sup> and *AAPS PharmSciTech*<sup>TM</sup>, the electronic-only scientific journals from AAPS, are taking scientific publishing to the next phase.

You may have noticed that *AAPS PharmSci*<sup>SM</sup> and *AAPS PharmSciTech*<sup>TM</sup> have a new streamlined look with less clutter and easier navigation tools.

### Take advantage of our improved features:

- ▶ Print the full text for each of the articles
- ▶ Search function by author, title word, and key word
- ▶ Faster acceptance to publication for your articles
- ▶ Click-access to Medline/PubMed

The technology of web publishing is rapidly advancing and AAPS is leading the way.

Log on now to [www.aapspharmsci.org](http://www.aapspharmsci.org) and [www.aapspharmstech.org](http://www.aapspharmstech.org) to experience dynamic scientific publishing in the 21st century.

## Calling All Authors!

AAPS has launched a new book program called AAPS Press. Whether you're an established author, or a recently minted Ph.D. with research to discuss, send AAPS Press your manuscript and AAPS Press will share it with the world.

Visit [www.aapspharmaceutica.com/news/press](http://www.aapspharmaceutica.com/news/press) for AAPS Guidelines for Book Proposals and a listing of current AAPS Press book titles.

To learn more about this groundbreaking book program, contact the AAPS Director of Publications, Victor Van Beuren at 703-248-4760 or [VanBeurenV@aaps.org](mailto:VanBeurenV@aaps.org).
